

IS Prime Offers Liquidity Via FDCTech's Condor FX Pro Trading Platform

Irvine, CA: December 22, 2020, FDCTech, Inc. ("FDC" or the "Company," OTCQB: [FDCT](#)), a fintech company with a full suite of FX technology and business solutions, today announced that [IS Prime](#), part of ISAM Capital Markets, has partnered with FDC to extend its liquidity distribution to the innovative [Condor FX Pro Trading Platform](#).

[Condor FX Pro Trading Platform](#) is FDC's flagship product. It provides a complete trading suite for retail brokers, fund managers, and traders with proprietary charting tools, advanced order types, level II pricing, multi-tier margin management, and regulatory reporting tools.

Barry Flanigan, Head of Distribution and Liquidity, IS Prime, comments, "A number of our clients use FDC as a front-to-back solution, and it is important for us to connect with the platforms our clients choose to use. [Condor FX Pro Trading Platform](#) is a relatively new platform which is rapidly gaining traction globally, and this partnership will extend our client reach, giving FDC clients the opportunity to have easy access to our highly competitive multi-asset liquidity."

FDC's CEO, Mitchell M. Eaglstein, adds, "We are very proud to be working with a company as reputable as [IS Prime](#) and to offer its liquidity to our growing client base."
